

MYTH:

Downsizing from my own home seems overwhelming.

TESTIMONIAL:

“Moving into a retirement home is a big change in your life. But my daughter helped me a lot when it came time to move. You quickly get involved and make friends and it’s worth it. I just had a friend say to me last night “Florence, you made the right choice when you moved to The Richmond.” I really feel at home here and I really enjoy it.”
